1.10 Institutional Status

University State ☑ Central ☐ Deemed ☐ Private ☐

Affiliated College Yes ☑ No ☐

Constituent College ☐ Yes ☑ No

Autonomous college of UGC Yes ☐ No ☑

Regulatory Agency approved Institution Yes ☑ No ☐

(eg. AICTE, BCI, MCI, PCI, NCI)

Type of Institution Co-education ☑ Men ☐ Women ☐

Urban ☑ Rural ☐ Tribal ☐

Financial Status Grant-in-aid ☐ UGC 2(f) ☐ UGC 12B ☐

Grant-in-aid + Self Financing ☐ Totally Self-financing ☑

1.11 Type of Faculty/Programme

Arts ☐ Science ☐ Commerce ☐ Law ☐ PEI (Phys Edu) ☐

TEI (Edu) ☐ Engineering ☐ Health Science ☑ Management ☐

Others (Specify) NIL

1.12 Name of the Affiliating University *(for the Colleges)* Rajiv Gandhi University of Health Sciences, Bangalore

1.13 Special status conferred by Central/ State Government-- UGC/CSIR/DST/DBT/ICMR etc

Autonomy by State/Central Govt. / University NO

University with Potential for Excellence	NO	UGC-CPE	NO
DST Star Scheme	NO	UGC-CE	NO
UGC-Special Assistance Programme	NO	DST-FIST	NO
UGC-Innovative PG programmes	NO	Any other (*Specify*)	NIL
UGC-COP Programmes	NO		

2. IQAC Composition and Activities

2.1 No. of Teachers 12

2.2 No. of Administrative/Technical staff 3

2.3 No. of students NIL

2.4 No. of Management representatives 1

2.5 No. of Alumni 1

2. 6 No. of any other stakeholder and Community representatives 1

2.7 No. of Employers/ Industrialists 1

2.8 No. of other External Experts 1

2.9 Total No. of members 20

2.10 No. of IQAC meetings held 4

2.11 No. of meetings with various stakeholders: No. 8 Faculty 2

Non-Teaching Staff Students 1 Alumni 1 Others 3

2.12 Has IQAC received any funding from UGC during the year? Yes ☐ No ☑

If yes, mention the amount -

2.13 Seminars and Conferences (only quality related)

(i) No. of Seminars/Conferences/ Workshops/Symposia organized by the IQAC

Total Nos. 2 International ☐ National ☐ State ☐ Institution Level 2

(ii) Themes

Teacher quality –different tools ,
students mentoring, slow and advanced learners, support services, student council –its role

2.14 Significant Activities and contributions made by IQAC

- Seminars were conducted for Faculty and Non-Teaching Staff to create awareness about quality aspects.
- Online feedback is ready ,will be initiated in next term
- Analysis of research publications was done. FDP conducted on Research Publication.
- Orientation for different indices of publications
- Organised Induction Programs for newly inducted faculty.
- Efforts made to establish collaborations
- Alumni meet organised
- Learning,course,program outcomes introduced methodically
- Maintenance and update of physical facilities initiated.
- IT facilities updated,
- ***IQAC*** internalised, human resource data under different categories maintained.
- library updated with software, addition books ,journal and rare books
- Organised F.D.P on Research Methods and IPR
  Extension activities initiated including ***Beti Bachao-Beti Padao***, and creating awareness about ***Swach Bharat*** and AIDS
- Initiated audits for improving Teaching- Learning.
- Strengthened mentoring of students by establishing a Mentor- Mentee Interface.
- Conducted Academic and Administrative audits including result analysis, coverage of syllabus, Monitoring of attendance and regularity of classes being held.
- Energy audit, solid and liquid waste management, rain water harvesting, battery operated

2.15 Plan of Action by IQAC/Outcome

The plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement and the outcome achieved by the end of the year *

Plan of Action	Achievements
Strengthen coaching for competitive examination to student.	During the year 95 students were benefitted through Competitive examination classes. It was strengthened by inviting experts for lecturing.
Encourage students to participate in co-curricular activities.	Competitions were held for cultural and sports programs, many students participated.
Support students by way of providing financial support through scholarship through govt. and institution.	78 students are benefitted through scholarships from govt. received Rs. 23, 61,660 in total.
Strengthen HRD management by way of filling vacant posts.	Managements has taken drive to recruit faculties as a result during academic year, no vacancies found.
Create more opportunity for collaboration	During the year the institution had collaboration/linkages with 08 agencies.
Strengthen parents - teacher association	Parents-teacher association strengthened and regular meetings were held with parents. Institution collaboration and Royal college of Glass grow.

** Attached the Academic Calendar of the year as Annexure.*

2.16 Whether the AQAR was placed in statutory body Yes ☑ No ☐

Management ☐ Syndicate ☐ Any other body ☐

Provide the details of the action taken

Action taken report by AQAR was placed before governing council and ratified

Criterion I

Part – B

CURRICULUR ASPECTS

Part – B

Criterion – I

I. Curricular Aspects

1.1 Details about Academic Programmes

Level of the Programme	Number of existing Programmes	Number of programmes added during the year	Number of self-financing programmes	Number of value added / Career Oriented programmes
PhD	01	-	-	-
PG	20	-	-	ENRICHMENT - 40
UG	04	05	-	PBL - 70
Diploma	06	-	-	-
Advanced Diploma	-	-	-	-
Certificate	02	01	-	-
Others	04	-	-	-
Total	37	06	-	110

Interdisciplinary	-	-	-	-
Innovative	-	-	-	-

1.2 (i) Flexibility of the Curriculum: CBCS/Core/Elective option / Open options
(ii) Pattern of programmes:

Pattern	Number of programmes
Semester	-
Trimester	-
Annual	43

1.3 Feedback from stakeholders* Alumni YES Parents YES Employers YES
Students YES
(On all aspects)

Mode of feedback : Online YES Manual YES Co-operating schools (for PEI) ☐

Please provide an analysis of the feedback in the Annexure

1.4 Whether there is any revision/update of regulation or syllabi, if yes, mention their salient aspects.

No revision of syllabus, deficiencies In curriculum were filled through value adding and PBL

1.5 Any new Department/Centre introduced during the year. If yes, give details.

Dermato Surgery

Criterion II

Part – B

TEACHING - LEARNING AND EVALUATION

Criterion – II

2. Teaching, Learning and Evaluation

6.3.2 Teaching

2.1 Total No. of permanent faculty

Total	Asst. Professors	Associate Professors	Professors	Others
550	110	50	90	300

2.2 No. of permanent faculty with Ph.D. 5

2.3 No. of Faculty Positions Recruited (R) and Vacant (V) during the year

Asst. Professors		Associate Professors		Professors		Others		Total	
R	V	R	V	R	V	R	V	R	V
110		50		90		300		550	

2.4 No. of Guest and Visiting faculty and Temporary faculty NIL

2.5 Faculty participation in conferences and symposia: for 17-18

No. of Faculty	International level	National level	State level
Attended Seminars/ Workshops	35	61	164
Presented papers	07	14	23
Resource Persons	07	13	12

2.6 Innovative processes adopted by the institution in Teaching and Learning:

Student centric method advanced ICT facilities, experimental and participative learning are initiated. Innovative processes adopted by the institution in Teaching and Learning are- Conduct of Co curricular activities like Science Exhibitions, conduct competitions in Quiz, Poster presentations, project exempos etc to build competitive and organizational skills in the students. The project development skills in students are improved by preparing proper screening schedules for reviews, submission of the weekly / monthly /semester end reports. After each review necessary guidelines can be provided to the students

To improve teacher quality by orienting key aspects of teaching learning, working knowledge skill in computer, internet and use of ICT facilities. Teachers are provided with intensive faculty development program. Faculty participation in conferences and symposia.

2.7 Total No. of actual teaching days
During this academic year

250 days

2.8 Examination/ Evaluation Reforms initiated by
The Institution (for example: Open Book Examination, Bar Coding, Double Valuation, Photocopy, Online Multiple Choice Questions)

- 3 Internal Assessments tests are conducted periodically in each year. The average of 2 best internals are taken into consideration & sent to the university.
- A minimum of 35% percentage eligibility is mandatory for appearing in university examinations
- All the issues including grievances regarding the internal assessment scores will be looked into if it appears to be valid & the necessary actions will be taken.

2.9 No. of faculty members involved in curriculum
Restructuring/revision/syllabus development
as member of Board of Study/Faculty/Curriculum Development workshop

09

In 2017 PG curriculum committee was formed which included following members:

1. Dr. S.M.R Usha : chairperson
2. Dr. Mamatha patil: member coordinator
3. Dr. Sarojamma: Member
4. Dr. Rajanish: Member
5. Dr. Shwetha: Member
6. Ms. Ashraf safa: Member
7. Mr. Shakthi Ganesh: member
8. Dr. Yugank: member
9. Dr. Manaswini : member

2.10 Average percentage of attendance of students

80%

2.11 Course/Programme wise Distribution of pass percentage:

Title of the Programme	Total no. of students appeared	Division				
		Distinction %	I %	II %	III %	Pass %
MBBS	424	3%(13)	20%(81)	18%(78)	29%(123)	70
MD/MS	76		15%(11)	-	76%(58)	91%(69)

Note: Total no of students is the sum total of all the Subjects

The total number of students appeared is calculated as the Sum total average number of each year (average of 1st MBBS + 2nd MBBS + Final MBBS Phase I & Final MBBS Phase 2 = Total number appeared)

2.12 How does IQAC Contribute/Monitor/Evaluate the Teaching & Learning processes:

Adherence to academic calendar

Curriculum delivery process effectively monitored

Slow learners identified remedial drill initiated. Advanced learners encouraged to participate in higher skill and knowledge platform

Strengthening the IT and library facilities as per the learner needs

Self directed learning and experiential learning practiced

Continuous performance assessment card initiated

Student centric teaching problem based learning, experiential learning initiated

Mentorship practiced

Implemented feedback recommendation

Course and program feedback collected, analysed and action initiated.

Provided Ambience that caters to different needs of learners

Efforts to improve teacher quality through FDP

Working knowledge of Computers, Internet, Wifi- provided to students as well as teachers

2.13 Initiatives undertaken towards faculty development

Faculty / Staff Development Programmes	Number of faculty benefitted
Refresher courses	52
UGC – Faculty Improvement Programme	368
HRD programmes	-
Orientation programmes	423
Faculty exchange programme	-
Staff training conducted by the university	12
Staff training conducted by other institutions	10
Summer / Winter schools, Workshops, etc.	250
Others PG research methodology workshop	297
MET workshop for faculty	21

2.14 Details of Administrative and Technical staff

Category	Number of Permanent Employees	Number of Vacant Positions	Number of permanent positions filled during the Year	Number of positions filled temporarily
Administrative Staff	174		49	
Technical Staff	15		35	

Criterion III

Part – B

RESEARCH, CONSULTANCY AND EXTENSION

Criterion – III

3. Research, Consultancy and Extension

3.1 Initiatives of the IQAC in Sensitizing/Promoting Research Climate in the institution

1. Research and Development and Sustenance Committee will hold the meeting once in three months and submit the minutes of meeting to the chairperson of IQAS for **promoting research Climate in the institution.**

Research and Development and Sustenance Committee:

Post	Name of the person	Department
Chair Person	Dr. Sahajananda. H	**Anaesthesia**
Co- Chair Person	Dr. Kantha	**Microbiology**
Member Co-ordinator	Dr. Prabhakar	**Central Research Lab**
Member	Dr. Mamata Patil	**Gen. Medicine**
Member	Dr. Priyadarshini	**Bio chemistry**
Member	Dr. Hari Krishna	**Dermatology**
Member	Dr. Vidya	**Community Medicine**

2. Internet facility & Wi-Fi facilities for students & staff in the library for advance learning: Internet facility & wifi enabled campus helps in faster communication & advanced learning. The college library has taken up the HELINET facility which provides access to various national & international learning resources. This facility if available round the clock & provides access to advanced learning resources & research material for utilization by students & faculty. This facility has boosted the research work. The central library of the institute has access to 675 E-Journals.

3. Training Program

Sl. No	Date	Training Program	Conducted By	Host Department
1.	26-02-2018 to 07-03-2017	Enrichment Training Program to Fresh Postgraduates of (2017 -2018 batch) different departments, Rajarajeswari Medical College and Hospital	Dr. Sahajananda.H, Dr. Prabhakara.S, Dr. Anbazahagan.K, Dr. Nirmala.K.S, Mr. Hanumanth Rao Mr. Prabhu	Central Research Lab

International Women’s Day
Date: 8th March,
Venue: Cricket grounds, RRMCH,
Time:11AM

All the roads on 8th March lead to RajaRajeswari Medical College and Hospital, Cricket Grounds as RRGI women had all set to enter the record by making a human formation map of Karnataka.

Every year March 8th is celebrated across the world as International Women’s Day.

About the Program

This year on March 8th, RajaRajeswari Group Of Institutions women have entered the record books of Asia Book of Records and India Book Of Records with 4 records. The records are as follows

1st Record – Most women doing the Human Formation of Karnataka Map

2nd Record – Most women displaying messages about women empowerment

3rd Record – Most women taking oath for women empowerment
4th Records – Most women making the human formation of Karnataka map in 2 colours – Red and Yellow

Around 3500 women both staffs and students of RRGI have gathered today at the cricket grounds at RRMCH to create the record.

Criterion VI

Part – B

GOVERNANCE, LEADERSHIP AND MANAGEMENT

Criterion – VI

6. Governance, Leadership and Management

6.1 State the Vision and Mission of the institution

OUR VISION

Single window delivery of total human health care services
Total quality management in human health care Education, Service, and research.
Promote unique work culture in alleviating Human sufferings.
To train general, specialized, advanced & allied health care professional Personnel to meet regional & national and global health care services demands
Work to contribute to global Human health care knowledge, skills& research . Be efficient, effective, community acceptable, and excel in service research.
To impart Education & Knowledge, & interact with organizations of similar interest.

Fostering global competencies, inculcating value system among learners
Promote use of technology of relevance
To induce paradigm shift in community that many human diseases are Preventable, Curable & Affordable
Reach the unreachable with awareness, education, research & service Serve the under served

OUR MISSION

Learner centered Health Care Education
Patient centered service
Community oriented research
Strong community relationship
Serve the under served
Meet the regional, national and Global Health Care educational needs
Inter organizational linkage
Strategic future oriented planning
Excellence in knowledge, skills and service
Professionalism in management
Open organizational climate

6.2 Does the Institution has a management Information System

YES

6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

Curricular Aspects

Enrichment courses and problem based learning conducted in all departments. Enrichment – 40, and PBL – 70, total -110. Dermato Surgery started, feedback system, established, graphs analysed, corrective actions recommended, report submitted to IQAC and governing council and approved by same. It was recommended to start online feedback from students, teachers, alumni, employers and parents. It is instructed to prepare online satisfaction survey and orient the system in 18-19

6.3.2 Teaching and Learning

To improve teacher quality by orienting key aspects of teaching learning, working knowledge skill in computer, internet and use of ICT facilities. Teachers are provided with intensive faculty development program. Faculty participation in conferences and symposia- Student centric method advanced ICT facilities, experimental and participative learning are initiated. Innovative processes adopted by the institution in Teaching and learning are- Conduct of Co curricular activities like Science Exhibitions, conduct competitions in Quiz, Poster presentations, project exempos etc to build competitive and organizational skills in the students. The project development skills in students are improved by preparing proper screening schedules for reviews, submission of the weekly / monthly /semester end reports. After each review necessary guidelines can be provided to the students

No. of Faculty	International level	National level	State level
Attended Seminars/ Workshops	35	61	164
Presented papers	07	14	23
Resource Persons	07	13	12

Total No. of actual teaching days during this academic year 250

6.3.3 Examination and Evaluation

The affiliating university provides appropriate guidelines, mechanism, processes for smooth and transparent conduct of examinations. The college conducts internal assessment examination and evaluate as per the regulatory guidelines. The departments have prepared continuous performance assessment card, 3 Internal Assessments tests are conducted periodically in each year. The average of 2 best internals are taken into consideration & sent to the university. A minimum of 35% percentage eligibility is mandatory for appearing in university examinations

All the issues including grievances regarding the internal assessment scores will be looked into if it appears to be valid & the necessary actions will be taken. No. of faculty members involved in

curriculum. 09 Faculty involved in Restructuring/revision/syllabus development Faculty /Curriculum Development workshop. In 2017 PG curriculum committee was formed which included following members: Total No. of actual teaching days during this academic year.

6.3.4 Research and Development

Under IQAC the college has constituted committee for research and development. This committee strongly encourages research activities at UG, PG and research level. Research culture and a conducive climate maintained on the campus to research methodology session, how to make patent. And guest lecture on intellectual property right.

This committee reviews and update research promotion, resources mobilization, infrastructure and publications. Faculties are deputed to gain additional research skill. Guest lecture on impact factor, citation index, H-index, SPOUS, range, average are arranged. Internet facility & Wi-Fi facilities for students & staff in the library for advance learning: Internet facility & wifi enabled campus helps in faster communication & advanced learning. The college library has taken up the HELINET facility which provides access to various national & international learning resources. This facility if available round the clock & provides access to advanced learning resources & research material for utilization by students & faculty. This facility has boosted the research work. The central library of the institute has access to 675 E-Journals.

No. of faculty Who are Ph. D. Guides -2. No. of Research scholars receiving the Fellowships are 06.

6.3.5 Library, ICT and physical infrastructure / instrumentation

The library provides Text Books, Reference Books, Print Journals, e-Books, e-Journals, Digital Database, Miscellaneous of Rs. 2,92,233.50/- of which Rs. 1,26,600.00/-added this year. Centralized A, Library Automation (NewGenLib2.0.0 Version).Open Access System, Circulation Service, Reference Service, OPAC Search Service, Internet Browsing Service, CD's/DVD's, Browsing Service, Reprography, Newspaper Clipping Service, Information Display and Notification, Display of New Arrivals, Book Exhibition, Departmental Libraries, Power Back-up & Question Bank Services. Total328, for browsing centre 55, computer centre 57, office 62 and 101 for are used for other locations.

6.3.6 Human Resource Management

Human resource management cell assesses the status of the type and quality of human resource need as per regulatory requirement. The HRM cell initiates action to maintain sanctions HR to meet regulatory requirements. The HRM cell has established performance assessment, performance appraisal and confidential report, mechanisms for continuous improvement among the faculty and non teaching staff. The HRM conducts appropriate training for technical non teaching staff department wise.

6.3.7 Faculty and Staff recruitment

Total No. of permanent faculty is 550, professors 90, associate 50, and assistant professors 110, No.of permanent faculty with Ph.D.5, There are no Guest, Visiting and Temporary faculty . Administrative Staff 174, filled during the year 49, Technical Staff-15. Number of permanent positions filled during the Year 35. The human resource management strictly follows the recruitment guidelines of the regulatory bodies. The recruitment committee evaluate the requirement of number of faculties in terms of qualification, experience, designation, PhD, advanced skills, geographic locations and speciality specific skills. The HR himself maintains gender equity while recruiting the faculty. Faculty with PhD qualification outside the state are preferred.

6.3.8 Industry Interaction / Collaboration

The institution maintains effective interaction with the community and improves collaborations. The institution serves the community through rural and urban centres and tertiary care hospital services. The college implement government skills to serve the population. The institution serves the community to raise the standard of awareness of critical diseases including HIV, Polio, Cancer, Nutrition, Yoga and similar activities. The institute conducts and participates in "Beti Bachao- Beti Padao" and "Swach Bharat" activities. Provides the health care services through health camps. The central research cell with advanced recruitments and training facilities maintain inter institutional collaborations.

6.3.9 Admission of Students

Total number of students **UG-250, PG-75, ph. D.-1, others-4 no. Of students outside the state 54. Academic year 2017-18 –MBBS UG course - 250 intake. General merit:** 177, **SC: 5, ST: 1, OBC: 67,** NEET: shall be a eligibility cum entrance examination namely national eligibility-cum-entrance test for admission to UG course for the academic session.

6.4 Welfare schemes for

Faculty	Hospital provides free treatment for family members of all employees except consumables Group insurance scheme for all employees and students in case of mortality Accommodation provided for nursing staff at minimal rent of Rs . 300 per month with free water and electricity within campus Technicians and nurses are given general holiday salary for working on holiday. Employees provident fund Earn leave benefits Loans for employees Diwali festival advance Subsidized Transportation for faculty International women's day celebration
Non teaching	As above
Students	As above

6.5 Total corpus fund generated Rs. 15.00 Lakh

6.6 Whether annual financial audit has been done ☑ Yes ☐

6.7 Whether Academic and Administrative Audit (AAA) have been done?

Audit Type	External		Internal	
	Yes/No	Agency	Yes/No	Authority
Academic	YES	Self	YES	Self
Administrative	YES	Self	YES	Self

6.8 Does the University/ Autonomous College declare results within 30 days?

For UG Programmes Yes ☑ No ☐

For PG Programmes Yes ☑ No ☐

6.9 What efforts are made by the University/ Autonomous College for Examination Reforms?

Not concerned

6.10 What efforts are made by the University to promote autonomy in the affiliated/constituent colleges?

NIL

6.11 Activities and support from the Alumni Association

A separate website is created

Alumini meet was conducted on 24th February 2018. 30 UG Students and 10 PG students had attended

6.12 Activities and support from the Parent – Teacher Association

Year	Activity reports of PTI Committee
September-November 2017	I MBBS admissions Initiation of mentor system and allotment of students to mentors
December 2017	1st Internal Assessment held on 16th December 2016 Reconstitution of PTI Committee, Dr.S.M.R.Usha-Chairperson and PTI committee meeting
January 2018	1st Parent Teacher Interaction held on 8th to 11th January 2018
February 2018	Minutes of the meeting & suggestions from the mentors

Calendar of Events for 2017-18

Month	Activities
August/September 2017	I MBBS admissions
October/November 2017	Initiation of mentor system and allotment of students to mentors
December-2017	1st Internal assessment Reconstitution of PTI Committee and PTI committee meeting
January-2018	1st Parent Teacher Interaction after 1st Internal

	assessment
February-2018	Meeting with mentors for suggestions
March-2018	2nd Internal assessment PTI committee meeting
April/May-2018	2nd Parent Teacher Interaction
June-2018	3rd Internal assessment PT interactions with selected students(Slow learners and students with attendance shortage)
July/ August-2018	RGUHS exams

6.13 Development programmes for support staff

Training is conducted for staff how to work with Microsoft office, exel, internet surfing and you tube

6.14 Initiatives taken by the institution to make the campus eco-friendly

Steps have been taken by the management to make paperless office by campus medicine, complete land connectivity.

Awareness has been created in hostels about wastage of water and food

Criterion VII

Part – B

INNOVATIONS

AND

BEST PRACTICES

Criterion – VII

7. Innovations and Best Practices

7.1 Innovations introduced during this academic year which have created a positive impact on the
Functioning of the institution. Give details.

For the overall development of students enrichment courses like personality developments are conducted

English & Kannada speaking classes are held for the students to help them better interact with the teachers as well as patients.

To improve student performance numerous awards have been conceptualized to as to motivate & boost the student performance in academics

ICT facilities for students & staff in the library for advance learning.

Employees state insurance scheme medical service.

7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at
the beginning of the year

Plan	Action Taken
For the overall development of students enrichment courses like personality developments are conducted	Faculty from all the departments have prepared good enrichment courses for improving the personality of the students.
English & Kannada speaking classes are held for the students to help them better interact with the teachers as well as patients.	Separate staff are appointed to improve the language skills of students both English & kannada. This helps in improving the communication skills of students for interacting with the patients
To improve student performance numerous awards have been conceptualized to as to motivate & boost the student performance in academics	Separate awards have been constituted so as to improve student performance in academics. Overall toppers & subject toppers receive special awards. During the graduation day
ICT facilities for students and staff in the library for advance learning.	Internet facility & wifi enabled campus helps in faster communication & advanced learning
Employees state insurance scheme medical	ESI scheme provides good medical services for the patients enrolled This ensure a constant

service.(ESI)	source of patients for the hospital in turn providing opportunity for students to improve the clinical skills.

7.3 Give two Best Practices of the institution *(please see the format in the NAAC Self-study Manuals)*

1. Integrated Teaching UG
2. Continuous Performance Assessment

Title of Practice: Integrated Teaching (UG)

Objective: The intension of this practice is to provide proper understanding of a given subject in total.
The context: The regular theory class doesn't provide the students the complete picture of a given subject. The integrated teaching (vertical & horizontal) serves the purpose of providing complete information regarding a given subject & help the students in proper learning of difficult topics.
The Practice: The practice of integrated teaching (vertical & horizontal) involves selection of good topics. Faculty from various depts. Come together & present information regarding the topic indetaile & this process gives opportunity to the students for complete understanding of the given subject. This is conducted periodically.
Evidence of success: The system of integrated teaching has significantly boosted the performance of the undergraduate students which is reflected in the regular internal assessment tests.
Problems encountered: The main problem encountered is student attendance which is suitably taken care by the mentorship program.

Title of Practice: Continuous performance assessment

Objective: This intension of this practice is to enhance the performance of the students through periodic assessments at regular intervals

The context: In addition to the regular internal assessment & university examinations the CPA system helps in proper understanding of the subject which inturn helps improving the performance of students?

The Practice: The CPA system involves conducting regular tests chapterwise at the end of completion of each chapter, this helps in assessing the understanding capacity of the students. This process is done periodically & it helps in boosting the student performance in the internal assessments tests.

Evidence of success: The CPA system has significantly increased the success rate of the students in the qualifying examinations.

RAJARAJESWARI MEDICAL COLLEGE & HOSPITAL

Problems encountered: The main problem encountered is student attendance which is taken care of by the mentorship program suitably.

***Provide the details in annexure (annexure need to be numbered as i, ii,iii)**

7.4 Contribution to environmental awareness / protection

Planting of saplings in the campus. Environment day celebration, battery operated car, led bulbs , and similar activities.

7.5 Whether environmental audit was conducted? ☑ ☐

Yes, In house environmental audit data conducted

Periodically informal audits are conducted by the maintenance dept to improve the campus environment.

7.6 Any other relevant information the institution wishes to add. (for example SWOT Analysis)

Opportunities:
- Conducting international level CME's to upgrade the knowledge & skills of faculty.

Challenges: Strength:
- State of the art library & HELINET facility
- Large patient base provides facilities for clinical skill training

Weakness: Strengths:
- Good number of patients in the clinical wards which enables proper clinical training for students.

Weakness:
- Research facilities to be improved
- Stream lining UG research programs
- Improve research facilities

Opportunities:
- Conducting faculty enrichment program in collaboration with national & international universities.

Challenges:
- Stream lining PG research programs

8. Plans of institution for next year

- Strengthen alumni association and activities.
- To improve the collaboration with national and international university's including the Royal College
- Intensify ,betibachao beti padhao, AIDS awareness and environment ,gender equity and energy conservation
- Intensify slow and advanced learner mechanism
- Continuously improve teaching learning process
- Establish online feedback system and online student satisfaction survey.
- Implement the recommendations of the feedback committee
- Implement need based infrastructure, ,library and IT facilities
- Strengthening of IQAC activities – regular meetings of IQAC and various committees and deliberations on quality enhancement practices.
- Initiate outcome based in health education as applicable to programs
- Encourage PG student to present papers at state/ national / international.
- Enhance student support facilities and scholarships and placement activities
- To have more number of enrichment/ value added courses.
- Use HELINET facility in library for advanced learning. Resources.

No. DSW/COE/2017-18. **REVISED NOTIFICATION** Date : 31-03-2017.

Calendar of Events for admission to **M.B.B.S COURSE** for the academic year 2017-2018 is hereby notified as follows:
REF : Gazette of India dated 04/07/2017(No.MCI-34(41)/2017-Med/122452, MCI New Delhi)

Sl. No.	DESCRIPTION OF EVENTS	SCHEDULE
1.	Last date of admission and a) Online uploading of admission statement on RGUHS website www.rguhs.ac.in, along with the latest students' clear colour photos b) email the list of students admitted to registrar@rguhs.ac.in and swf@rguhs.ac.in	31-08-2017
2	Commencement of academic session	01-08-.2017
3	Online payment of admission fees payable to the University **in full** (partial payment is NOT allowed)	04-09-2017 before 5:30.pm
4.	Getting admission register certified by the Registrar or his designated official of the University and producing the proof of having remitted the prescribed fee **in full** to the university (attested photocopies of the same to be left with university).	11-09-2017 before 5:00.pm
5	Last date for submission of online entered printed admission statement with originals of the required documents including eligibility certificate (wherever applicable)	14-09-2017 before 5:00.pm
6	College-wise verification of documents for Admission approval	24-09-2017 (After recieving documents from KEA)
7	Last date of submission of deficient documents as pointed out during verification	Ten working days from the date of verification
8	Tentative last date for hosting Admission approval statement in the University website www.rguhs.ac.in	Ten working days from the last date prescribed for receipt of deficient documents
9	Tentative last date for posting the hard copy of Admission approval statement to the Principal of the concerned institute.	Five working days from the date of hosting

NOTE:

1. The admitting college should have been notified as affiliated to the University with permission to admit students for the concerned course for the year 2017-18 before the last date of admission.
2. Request for correction of name in the online admission statement will not be entertained. Entry of names in the online admission statement, by itself does not vest the right of admission approval. Number and the name of students uploaded in the online admission statement and e mail must match and not exceed the number of admissions approved. All excess admissions beyond the approved number will be rejected.
3. If any of the above dates happens to be a holiday, the following working day shall be taken into consideration **except for payment of fees and fine which is available through online payment.**
4. Admission Register shall contain the date, amount and number of the receipt corresponding to the name of the student with the signature of the student. Admission of those Students who have not paid the admission fees in full will not be approved.
5. Those names that could not be uploaded in the online admission statement for whatever reason should be indicated in bold letters in the e-mail to be sent and in the admission register to be submitted to the University. Hard copies of the same must be submitted to the office of the Registrar and Vice-Chancellor in person in duplicate and an acknowledgement be obtained from the designated official of the respective offices during the office hours of the next working day. Otherwise, such admissions will not be accepted.
6. Exact date of verification of documents for admission approval will be intimated to the college by the university. The Principal and the concerned officials of the college must be present on the specified date and time without fail with any other document that they may wish to submit. University will go ahead with verification of documents pertaining to their college even in their absence.
7. No correspondence shall be made to the college regarding deficient documents except during verification Principal is expected to keep track of the deficiencies and fulfill them well before the last date prescribed without any prompting.
8. Principals of the institutions should download admission approval of students and display the same in the college's notice board and website and discharge all disapproved students immediately. The University shall not entertain any further correspondence from any anybody regarding disapproved students.
9. Exact dates of commencement of Theory & Practical examinations and date of declaration of results will be notified by the Registrar (Evaluation) separately.

Title of Practice:

Integrated Teaching (UG)

Objective:

The intension of this practice is to provide proper understanding of a given subject in total.

The context:

The regular theory class doesn't provide the students the complete picture of a given subject. The integrated teaching (vertical & horizontal) serves the purpose of providing complete information regarding a given subject & help the students in proper learning of difficult topics.

The Practice:

The practice of integrated teaching (vertical & horizontal) involves selection of good topics. Faculty from various depts. Come together & present information regarding the topic in detail & this process gives opportunity to the students for complete understanding of the given subject. This is conducted periodically.

Evidence of success:

The system of integrated teaching has significantly boosted the performance of the undergraduate students which is reflected in the regular internal assessment tests.

Problems encountered:

The main problem encountered is student attendance which is suitably taken care by the mentorship program.

Title of Practice:

Continuous performance assessment

Objective:

This intension of this practice is to enhance the performance of the students through periodic assessments at regular intervals

The context:

In addition to the regular internal assessment & university examinations the CPA system helps in proper understanding of the subject which intern helps improving the performance of students?

The Practice:

The CPA system involves conducting regular tests chapter wise at the end of completion of each chapter, this helps in assessing the understanding capacity of the students. This process is done periodically & it helps in boosting the student performance in the internal assessments tests.

Evidence of success:

The CPA system has significantly increased the success rate of the students in the qualifying examinations.

Problems encountered:

The main problem encountered is student attendance which is taken care of by the mentorship program suitably.

WORLD BREASTFEEDING WEEK OBSERVATION AWARENESS PROGRAMME CONDUCTED AT UHTC-2018

A Program regarding Breastfeeding was conducted in ChannasandraUHC, for mothers on 02/08/2018, as a part of **WORLD BREASTFEEDING WEEK**. The department of Community Medicine RRMCH organized this event and the faculty, Dr.SHASHIKALA (HOD & Prof)Dr. SWAPNA &Dr. SHYAM, (Associate Professors) Dr.VIDUSHA (Assistant Professor) of Community Medicine department RRMCH were present for the event. Undergraduate students posted in Community Medicine were also present for the event.

Mothers from the nearbyarea weregathered for this event which was organized to create awareness among them regarding the importance of Breastfeedingand to access their knowledge in this matter.

The objective of the program was to educate the mothers regarding

1. The importance of exclusive Breastfeeding
2. Advantages of the Breastfeeding to the mother and baby.
3. Myths regarding prelactal feeds and colustrum
4. The timing of complementary feeds

Initially the program started with an introductory speech from Mr. Ramesh (MSW). Later Dr.Shashikala (HOD & Prof) welcomed gathering and spoke a few words about the importance of Breastfeeding followed by which the interns posted in Community Medicine department performed arole play for the mothers regarding advantages of exclusive Breastfeeding and the hazards associated with not Breast feeding the baby exclusively. The role play also included a short talk on advantages of Breastfeeding to the mother and baby.

The role play was performed by Dr.Akhila, Dr.Arundhati, Dr. Vishnupriya,Dr.Akshatha, Dr.Amal, Dr.Srinidhi, Dr.Sheen Lal and Dr.Yamuna.

Followed by the role play the Postgraduates in the department addressed the mothers.

Dr. Naziya introduced the topic, Dr. Akshatha spoke about complementary feeds and Dr.Kritika about prelacteal feeds.

After this talk ,Dr. Swapna (Associate Professor) hosted a question and answer session with the mothers to clear their doubts associated with breastfeeding .The mothers participated actively in the session and questions were raised regarding exclusive Breastfeeding , importance of Colostrum, timing of breastfeeding after normal delivery and c- section , about the timing of complimentary feeds. Sixty mothers attended theprogram and gained information regarding Breastfeeding and cleared their doubts.

Refreshments like Coffee and Biscuits were served to the mothers during the session and at the end Dr.Shashikala, Dr.Shyam, Dr.Swapna distributed gifts in the form of bags as a token of appreciation .The entire programme was very informative to the mothers.

World Environment Day 2018-5th June 2018

As an institution Rajarajeswari Medical College and Hospital is committed towards contributing to a healthy environment and has been planting saplings on world environment day over the past couple of years.

In keeping with this trend on the occasion of World Environment Day, 5th June this year a signature campaign was organized by the Department of Community Medicine on 5th June 2018 putting forth this year's theme "Beat Plastic Pollution" in order to urge the staff and students of RRMCH to pledge against the use of plastic within the campus and outside. Members of management and faculty pledged against the use of plastic by signing on the signature board.
